Dear resident,

I am writing to you on behalf of Cossall Parish Neighbourhood Plan Steering Group. The group is comprised of residents and Parish Councillors working together with the local community to produce a Neighbourhood Plan that is fully representative of the vision the community has for Cossall Parish over the coming decade and beyond.

Once adopted, our Plan will carry significant weight in determining how planning applications are decided and where future development can take place. It will ensure Cossall Parish is a forward-thinking and vibrant place to live and work, whilst at the same time preserving its cultural heritage and protecting its environment.

We hope you will help shape the future of Cossall Parish by completing this questionnaire. Your responses to the following questions will ensure that your Neighbourhood Plan represents and protects what is important to you, whilst helping to guide future development in the Parish for years to come.

We would like the questionnaire to represent the views of as many residents as possible, so please encourage all adult members of your household to complete one. Details of how to return your questionnaire or obtain additional paper copies can be found at the end of the questionnaire. Alternatively, you can complete the questionnaire online at **bit.ly/cossallsurvey**

We would be grateful if you could complete the questionnaire by 4th March 2019 and would like to thank you in advance for your time.
