Cossall Parish Neighbourhood Plan

Local Business Survey

Dear Business Owner/Manager,

I am writing to you on behalf of Cossall Parish Neighbourhood Plan Steering Group. The group is comprised of residents and Parish Councillors working together with the local community to produce a Neighbourhood Plan that is fully representative of the vision the community has for Cossall Parish over the coming decade and beyond.

Once adopted, our Plan will carry significant weight in determining how planning applications are decided and where future development can take place. It will ensure Cossall Parish is a forward-thinking and vibrant place to live and work, whilst at the same time preserving its cultural heritage and protecting its environment.

You are being asked to take part in this survey because your business is located in Cossall Parish, and whether you are a sole trader or employ a large number of staff, your views are important to us and we want to ensure they are represented in our Plan.

The survey can be completed either as a paper copy (a stamped addressed envelope is included for its return), or online at the following - bit.ly/cossallnpb and we would be really grateful if you could return it by 4th March 2019.

Thank you in advance for taking the time to complete this survey
