

# Cossall Parish Neighbourhood Plan

April 2019

Dear Business Owner/Manager,

We are writing to thank you for the comments and suggestions you provided in the Cossall Parish Neighbourhood Plan Local Business Survey, and to keep you informed of the next steps. We have had an excellent response and the information you gave will be instrumental in guiding our aims and policies. Any responses which fall outside the remit of the Plan will still be considered alongside it.

Cossall Parish Neighbourhood Plan is in its early stages and in the coming months we will be working with different organisations to help guide our Plan and to ensure it meets all the statutory requirements. In the future we will hold consultation events to which all Cossall residents and local business owners/managers will be invited but we welcome your comments, questions or suggestions on all parish related issues at any time.

You are also welcome to come along to our Steering Group meetings. Our next meeting will be held on Thursday 13th June at 7.30pm in Cossall Community Hall/Old School Room, Church Lane. The Steering Group consists of Cossall Parish Councillors and residents of the Parish working together to ensure the Plan fully reflects and represents the views of residents' and local businesses. If you would like to attend, or would like to be notified when future meetings are taking place please get in touch using one of the contact details below.

Kind regards

Cossall Parish Neighbourhood Plan Steering Group
