

GLAD TO BE BACK

Cossall Open Gardens returned to its normal date of the second Sunday in June.

This event is organised by Cossall Community Chest charity and has been running for over 20 years.

The weather was kind and the visitors came in large numbers, over 700 people arrived to enjoy the event. Ten gardens were open and the eclectic mix of stalls which included honey, preserves, artwork, crafts and The Erewash Wood Turners, were enjoyed by our visitors. There were also several opportunities for refreshments, including traditional cream teas.
