

# Cossall Open Gardens June 2023

We are delighted with the number of visitors who came along to the Cossall Open Gardens Event this month. Over 500 people enjoyed wandering around eleven beautiful gardens in the sunshine. There were a number of delightful craft stalls too and the tea room was well attended, with the homemade cakes popular, as always.

Cossall Community Chest would like to thank everyone involved, who make this event possible, those that opened their gardens, all the helpers and those donating raffle prizes and baking cakes.
