

# FREE FIRST AID / LIFE SAVING EVENING

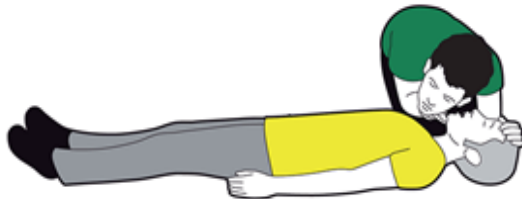

To coincide with the installation of Cossall's second Defibrillator and Bleed Control Kit and by popular demand, Cossall Parish Council have organised a free course of an hour and a half, which will cover using a Defibrillator and other basic lifesaving skills.

The course will be presented by Paul Moore from Notts Save a Life.

**Everyone is very welcome** and it will be held in the Old School Room on Church Lane commencing at 7pm on Friday May 3<sup>rd</sup>.

For over twenty years Notts Save a Life has been providing friendly first aid training to a wide range of customers throughout Nottingham and beyond. They are a small team of enthusiastic trainers with a genuine interest in the first aid skills they teach.

Cossall's second Defibrillator and Bleed Control Kit, which has been purchased with a donation from Nottinghamshire County Councillors, will be situated in front of Trinity Farm, on Awsworth Lane.

To book your free place please email [mariegilbertcossall@gmail.com](mailto:mariegilbertcossall@gmail.com) or text or phone 07771 940721
